## Chapter 1 by Cheshire- I'm Back! Mwa ha ha ha!

I'm running. I'm running away from creatures that shouldn't exist in real life. Yet they do exist in real life. Demons, vampires, and monsters. All chasing me. I reach the end of the alley. A wall on all but the side I came from. I turn around. There they stand. Five demons and three vampires and two monsters. All of them covered in my family's blood. Now they want my blood. The demons charge at me. Suddenly and involuntarily, my arms start moving. A blue aura emanating from my hands. The aura turns a bright white then blasts at the demons. When the aura disappears I see that the demons turned to ashes and the vampires and monsters behind them have turned to stone. I say out loud, "What the hell just happened?!" Then I fall to the ground and blackout.

## Chapter 2 by Cheshire- I'm Back! Mwa ha ha ha!

I wake up. I'm in an alley. It's daytime. I sit up and look around. I see a pile of ashes in front of me and a black cat sitting right behind it, staring at me with one red eye and one blue eye. "Hello," It says. I freak out and scooch very fast against the wall behind me. "What the hell?! You just spoke, a cat just spoke!" "Yes I just spoke. Will you stop acting so surprised. After all that happened last night, you're shocked that I can speak?" The cat replied. "What did happen last night?" I asked the cat. "That is a long story and a bit hard to explain. First, lets get you to a safe house," The cat said then walks out of the alley and around the corner. I stay where I am. The cat pokes it's head back into the alley, "Are you coming?" It asks. I stand up and follow it in reply.
